

SOUTH CUMBERLAND

LEGEND

-  WATERFALLS
-  CITIES
-  NATURAL AREAS
-  RANGER STATIONS

PLEASE BE SURE
TO VISIT OUR
6 STATE NATURAL
AREAS
WHILE YOU ARE
IN THE REGION!

Tennessee State Parks provide an abundance of waterfalls along our extensive hiking trails and beautiful overlooks. There are more than 60 waterfalls of significant size within a 60 mile radius of the South Cumberland State Park.

tnstateparks.com/SouthCumberland

See the Waterfall Expedition Map for where you can explore several of these waterfalls.

SOUTH CUMBERLAND

ADVENTURE MAP

South Cumberland State Park is in the southern end of the scenic Cumberland Plateau; an area that possesses more waterfalls than any other geographic region in Tennessee.

For your safety and enjoyment, check with our staff to learn more about these Waterfalls Expeditions.

Create your own Waterfall Expedition using this and other easy to read Waterfall Expedition Maps at tnstateparks.com/waterfalls

Remember safety first.
